

Red Squad

06/07/2025 | Information Bundle

Overview

The Red Squad is one of our key competitive training groups, designed for swimmers who are aiming to qualify for and compete at the **Kent County Championships**.

Swimmers in this squad are expected to demonstrate consistently good technique in all strokes and race skills, maintain strong training habits, and show commitment to consistent development.

Weekly Training Schedule

Monday

0600–0730 (Swim)

1800–2000 (Swim)

Tuesday

1800–1900 (Land Training)

Wednesday

0600–0730 (Swim)

1900–2000 (Swim)

Thursday

0600–0730 (Swim)

Friday

0600–0730 (Swim)

- All swim sessions are held at the Duke of York's pool. Tuesday evening land training is held in the Sports Hall.
-

Equipment Requirements

Swim Equipment

- Mesh kit bag (to keep all equipment organised)
- Fins (short blade recommended)
- Pull buoy
- Kickboard
- Snorkel
- Hand paddles
- Water bottle (minimum 750ml)
- Swim parachute (for resistance training - [Example](#))

Please ensure all equipment is clearly named and brought to every session

Land Training Equipment

- Resistance bands (light/medium strength, [Example](#))
- Personal exercise/yoga mat ([Example](#))
- Water bottle
- Suitable training shoes and clothing

Swimmers are expected to take responsibility for their own equipment and ensure it is brought to all relevant sessions.

Attendance and Punctuality Expectations

Swimmers are expected to arrive 10–15 minutes before the scheduled session start time to ensure they are ready to begin promptly. Late arrivals may be turned away at the coach's discretion to avoid disrupting the session.

Consistent attendance is essential to maintain squad standards and support steady progress.

Repeated lateness or unexplained absences may lead to a review of squad placement, including possible movement to a lower squad.

Please notify the coach of any illness, injury, or absence as soon as possible.

Squad Progression and Goals

This squad focuses on developing strong technical skills, race strategies, and fitness aimed at success at **Kent County Championships**.

Swimmers should demonstrate consistent training quality, a positive attitude, and a desire to improve at all sessions.

Progression is reviewed regularly. Swimmers must maintain expected standards in skill, fitness, and behaviour to remain in Red Squad.

Competition Expectations

Swimmers in Red Squad are expected to compete at target meets, including the **Kent Championships**.

All swimmers should enter a range of events at non-championship meets to support all-round development unless targeting events with coach's approval.

Participation in the **Club Championships (all events)** is mandatory.

Attendance at Arena League galas and other team events is expected as part of the squad commitment.

Meet entries should be discussed with the squad coach to align with training and development goals.

Membership Requirements

All Red Squad swimmers must hold a valid **Competing Membership**.

For membership details and forms, please email:

WhiteCliffsSCMemberships@gmail.com

- Membership includes insurance, Swim England registration, and eligibility for competitions.
-

Club Kit

Swimmers must wear club kit at competitions and any training sessions away from Duke of York's or the home venue.

For ordering or enquiries about club kit, please email:

WhiteCliffsSCKit@gmail.com

- Club kit helps us present a professional, united team image at competitions.
-

Expected Dates

Planned Closures

All squads will have some breaks across the year during the following periods:

- Christmas – 2 Weeks
- Easter – 2 Weeks
- Summer – 1 Week

Training Camps

We usually host 2 camps over the year, usually around the following periods:

- Christmas – 2 days (Duke of York's / Short Course)
- Easter – 4–8 days (Abroad / Long Course)

Competitions

The main competitions targeted over the year are:

1. Club Championships – July–August
2. East Invicta Championships – October–November
3. Kent County Championships – January–February
4. South-East Region Championships – April–May

There will be other competitions throughout the year for qualifying, tracking progress, and practising race skills.

Cost

Swimmers attending all scheduled hours are charged **£3.75 per hour**.

To keep things simple and consistent for everyone, we no longer calculate fees month by month based on individual attendance. Instead, payments are averaged across the full year.

This annual calculation removes **5 weeks** to account for breaks and possible cancellations:

- 2 weeks for Christmas
- 1 week at Easter
- 1 week in summer
- 1 additional week for unforeseen cancellations or pool closures

The resulting annual total is then divided into **equal monthly payments**. This approach ensures predictable, even payments throughout the year and avoids variation due to planned closures or occasional missed sessions.

- For any questions about payments or to discuss your swimmer's fees, please contact the Admin team at:
competitive@safelyswim.co.uk

Expectations for Parents

While the swimmers are at the centre, parents play a crucial role in making their journey successful and enjoyable.

To best support your swimmer, please see our **11 top tips** for being the best 'swim parent' you can be:

1. **Supporting your swimmer's punctuality and attendance**, consistency is the key to progress!
2. **Encourage, and display positive behaviour** in training and at galas
3. **Support anything your swimmer has done**, whether at training or at competition, good or bad. Leave the coaching and feedback to the coaches! Celebrate effort and improvement over just results.
4. If you can, there are many **volunteer roles at the club**, from officiating to managing the team. It's a great way to support the club, and get an insight into your child's passion
 - For more info, please email WhiteCliffsSCCoordinator@gmail.com
5. **Respect Coach's/ Team Manager's decisions**, 99% of the time there is a reason for decisions made, and 99% of these are for the benefit of your swimmer! If you have concerns, raise them respectfully and privately at appropriate times.
6. **Spectating Etiquette** Follow club guidelines for poolside behaviour. Support your child from designated areas without distracting swimmers or coaches.

7. **Communicate Changes Promptly** Inform coaches about absences, illness, injuries, or any special needs as early as possible. This helps with session planning and swimmer welfare.
 8. **Manage Expectations** Understand that progression and results take time. Encourage your child to enjoy the process and focus on personal bests and development.
 9. **Promote Healthy Lifestyle Habits** Support your swimmer in maintaining a balanced lifestyle including nutrition, rest, and recovery, which are vital for training and performance.
 10. **Encourage Self-Responsibility** Help your swimmer take responsibility for their equipment, kit, and personal organisation.
 11. **Stay Informed** Read all communications from the club and respond to requests promptly to avoid missing important information.
